SEATING

Lotus S Barstool

The unique combination of metal frame, upholstered seat and wood back panel and spindles, make the Lotus-S chair and barstool stand out from the crowd. The durable powdercoat frame is available standard in white, and the wood can be finished in any of our standard wood finishes. Choose from any of our graded in fabrics for the seat cushion, or supply your own material. Suitable for restaurants, hotels and universities. Lotus is made with a white powder coated standard finish. In stock frames can be powder coated black, or any RAL color for an additional cost. Chrome and Black available at no additional cost, but may have a longer lead time. Be sure to check out the sister product, the Lotus-P, which also includes a backless barstool.
