TABLES

Queue Pie Table

The latest addition to our Queue line of modular seating offers virtually unlimited configuration options for your lobby or lounge areas. Now available with new “Pie Tables” that are specifically designed to work in conjunction with this system. Charging stations are optional but can be built into these tables and the tops are made with the same thermoset resins we use in our Urban Collection, so cleaning is a snap. The Queue collection is available in our full range of fabric options giving you complete control as to the look, configuration, and functionality of your seating arrangement. As part of our Quick Ship program, the Queue is ready to address your lounge seating requirements.
